Expertise

SAFIRO NUTRITION is a European manufacturer of high-quality nutrition raw materials adhering to strict and certified quality standards. All products meet global compliance needs such as legal regulations, religious policies and non-animal policies: ISO 9001 production, IFS Food, Halal + Kosher, Non-GMO. Raw materials are preferably sourced regionally while committed to an environmentally friendly production with low carbon footprint and zero-waste objective.

Within its life science segment, the LEHVOSS Group also offers nutrition minerals, nutraceuticals, food ingredients and raw materials for cosmetics and medical diagnostics. Certified quality managements system of Lehmann&Voss&Co. (LEHVOSS Group), relevant to the food sector include DIN ISO 9001:2015, ISO 14001 and HACCP. Activities are complemented by our own quality department and regulatory support. Therefore, we only stock products that meet our high standards of origin, reliability and supply chain.

Taurine is manufactured by Safiro Nutrition Sp. z.o.o.
